H.R.H. Prince Arthur of Connaught, K.G., K.T., G.C.M.G., G.C.V.O., C.B.
Chairman of the Hospital.

THE MIDDLESEX HOSPITAL IN 1750.

THE ALL HELP LEAGUE.

LADIES AND GENTLEMEN,

Our Annual Report must, I fear, start on a note of regret, for the most prominent feature of the events of the past year is the resignation of the Earl of Athlone from the Chairmanship of the Hospital on his appointment as Governor-General of the Union of South Africa. You who keep in touch with the life of the Hospital and know the way in which the late Chairman steered the good ship through all weather, fair or foul, through storm or sunshine, and devoted his time, energy and talents to this task with skilful zeal will realize what a real loss we have suffered by his departure to take up one of the most important offices in the British Empire. We shall miss, too, the gracious presence of Her Royal Highness Princess Alice who was no stranger to the Hospital and its work. We heartily wish both of them complete success and prosperity in their new sphere of activities, with a safe return home in full enjoyment of good health and happiness.

We may congratulate ourselves on the fact that His Royal Highness Prince Arthur of Connaught has accepted the invitation to become the new Chairman of the Hospital, he has made his first appearance in public in this capacity at the recent meeting of the Court of Governors.

You will be sorry to learn that for a time the number of beds available for use has had to be lessened owing to weakness in part of the old

building which has caused the closing down of two wards ; the remedies to be adopted to cure these defects and others which will probably be revealed in the Old Block are now a matter of serious consideration. The closing of two wards has naturally decreased the annual average of occupied beds, but to show you that the benefits of the Hospital service are increasingly welcomed by large numbers, I may mention that the attendances in the Out-Patients' Department rose to the huge figure of 168,067, which exceeds that of the previous year by 22,612—a very marked growth indeed.

I have had to tell you one or two depressing bits of news ; now in contrast let me give you a little information of a more cheering nature.

A very fine windfall has come to the rescue of the Hospital as regards its income account. On the death of one of its very kind friends the Hospital came in for a most liberal legacy, which has helped very markedly to straighten out its accounts and to pay off its debt to the Bankers.

A notable event in the past year was the honour paid to the Hospital and its Medical School by an evening visit of His Royal Highness The Prince of Wales. On this occasion the object was to show to the Prince and his fellow guests the many-sided activities of a large General Teaching Hospital beyond its more familiar wards. Thus the mysteries of the X-Ray and Electrical Departments, Research work in its various forms with its wonderfully applied scientific preparations and investigations, the wonders of the Museum, the manufacture of Insulin, the lately discovered remedy for Diabetes, and the various examinations which can be made in the Pathological and Chemical Laboratories, were all on view and duly explained by the experts to the interested visitors. Indeed it was hard work to induce the Prince to come away from the marvellous revelations in some Departments so that others should not be altogether neglected.

Those of you who have had the pleasure of Miss Shapter's acquaintance will be glad to congratulate her on her appointment to a more lucrative post in the Hospital. Her place as Assistant Secretary to the All Help League is being adequately filled by Miss Phyllis Rudd. I may add that Miss Rudd is no stranger to the League, she and her young brother having been among our earliest subscribers. Those who received a photograph of "Sally" at Christmas time will I know, gladly congratulate her on having been adopted as the All Help League Mascot. We all hope that she will charm the pennies from many a pocket. She is a White West Highland terrier, nearly a year old, and a constant visitor to the Hospital.

I wish to thank you all for your continued support of our League; in spite of many difficulties which we have had to face our work on behalf of

BRANCH HOSPITAL AND CONVALESCENT HOME.

the good old Hospital is still maintained, and our members now number 3,770. I think I may gratefully congratulate you on the amount of our income. We are going through hard times, and compared with the previous year your subscriptions and donations have decreased only by a relatively small sum. I sincerely hope that the near future will bring you greater prosperity and fewer compulsory demands upon your pockets. When these desirable objects are gained I feel confident that your generous instincts will once more be able to assert themselves, and your contributions towards the upkeep of the Hospital will resume an upward march. I need hardly again remind you that the doors of the All Help League are open to all its Members, and that I am always only too pleased to welcome visitors who have the time and opportunity of showing their interest in our work by their personal presence.

I remain, Ladies and Gentlemen,

Yours sincerely,

MAUD B. DAVIS.

Hon. Sec. ALL HELP LEAGUE.
